

ANDREW G.W. CHUNG

Andrew has spent 5 years at Lightspeed and helped lead the firm's entry into new areas of investment that include cleantech, education, and genomics.

Prior to Lightspeed, Andrew worked at Bain Capital and TL Ventures, where he supported leveraged buyout and venture investments in software, semiconductors and healthcare. Previously, Andrew worked as a management consultant with Bain & Company in Greater China; co-founded and led operations for UberWorks (acq. by NWKC), an e-commerce content aggregation software startup incubated at Trilogy; and directed product management at OnStation, a CRM software company.

Andrew earned his BA in Applied Mathematics from Harvard University and holds an MBA from the Wharton School of the University of Pennsylvania.

Andrew chairs the Cleantech Advisory Board for The Indus Entrepreneurs (TiE), serves on the Advisory Board for Stanford Energy Crossroads, and is an advisor for the Clean Tech Open.
